

Accident Reports

Adequate and prompt accident reporting is essential. If injuries or property damage occur, prompt reports are vital in assuring the district staff, students and others of insurance coverage. Such reports may be important in the event of litigation.

The Board requires that an accident report be filed on every accident that takes place on school property or that involves a school vehicle, students or staff on school-sponsored trips, including staff members on authorized school business trips. Such reports are required whether or not there are any immediately evident injuries or damage to property.
