

Dear Parents,

We are sending a copy of the Lone Star School assignment book, which includes the student/parent handbook home with your student. We ask that you read it carefully and discuss it with your student/s. After you have discussed the contents, please have the student/s sign below indicating that they have read and/or discussed it with you. Feel free to use one form for your entire family. We also need your signature to verify (by state law) that you have received and read our policies and procedures.

Thank you very much for your help in this matter and please feel free to call me if you have any questions.

Sincerely,

Mike Bowers
Superintendent

(Please sign and return this portion)
